

St. John the Apostle Catholic Church Weather Policy

During inclement weather, the Pre-school and Religious Education Program, and all Parish activities follow the same schedule as Loudoun County Public Schools. The Parish office follows the schedule of the Loudoun County Government offices. If County Schools are closed the Pre-School and the Religious Education Classes are canceled, as is the daily mass: in addition, **all scheduled Parish activities for that day are canceled. Please note that the Pastor and Parochial Vicar are the only ones with authority to make any exceptions to this policy.**

Two Hour Delay or Early Closing

If Loudoun County Public Schools open two hours late, the daily mass will be held at its scheduled time. The Pre-school program will follow its set delayed schedule, and Religious Education classes will be held as usual after school. Any Parish activity, other than mass, scheduled before 10 a.m. will also be canceled.

If Loudoun County Public Schools close early: then Pre-school, Religious Ed and **all scheduled parish activities for the remainder of the day & evening are canceled.**

Weekend Programs and Events

If Loudoun County closes Public Schools on weekends, then all scheduled parish events are also cancelled. (see *&**)

*Scheduled Weddings will be determined on a case by case basis...depending upon conditions, etc.,

** The Pastor will make announcements about any changes to the Sunday mass schedule...due to weather...via parish website, and phone system. Generally, only Extreme weather conditions will cancel Sunday Masses outright; Use Good Judgment; Safety First.
